## **ARTICLE 1 - TERMS AND CONDITIONS: WHY THEY MATTER**

These Terms & Conditions describe the functioning of intermunicipal tips, rules for users and the responsibilities of waste disposal staff.

**The following villages belong to the Haut Chablais (CCHC) intermunicipal council: Bellevaux, Lullin, Vailly, Reyvroz, La Vernaz, La Forclaz, La Baume, Le Biot, Seytroux, Saint Jean d'Aulps, La Côte d'Arbroz, Essert-Romand, Montriond, Morzine-Avoriaz and Les Gets.**

## **ARTICLE 2 - RUBBISH TIPS: OUR DEFINITION**

Rubbish tips are defined as enclosed, supervised spaces where members of the public, council technical staff, artisans, businesses and public entities may bring waste which is not or cannot be collected in the usual places, either because it is too big or may be recycled (as stipulated in legislation passed on 13 July 1992).

## **ARTICLE 3 - THE FUNCTION OF RUBBISH TIPS**

These facilities meet with the requirements of legislation passed on 13 July 1992:

- to reduce the amount of waste destined for burning or storing;
- to allow members of the public, council technical staff, artisans, businesses and public entities to get rid of their rubbish in accordance with current norms;
- to stop fly-tipping in Aulps and Brevon valleys;
- to economise raw materials by maximising recycling.

## **ARTICLE 5 - CONDITIONS OF ACCESS**

**Access is permitted to holders of a tip card bearing their name, supplied by the CCHC, including:**

- individuals who are resident in the Communauté de Communes du Haut Chablais (CCHC);
- CCHC technical services teams (during normal opening times);
- businesses based in the CCHC;
- Vehicles authorised to carry up to 3.5 tonnes.

### Access is not permitted in the following cases:

- to anyone without a tip card or who attempts to use someone else's card;
- **to renovation, construction or removals projects. Users (public and professional) should rent a skip at their own charge.** The CCHC waste disposal service is available to provide advice.

### ARTICLE 6 - TARIFFS

**Individuals** can bring their waste to the tips at no charge.

However, waste that exceeds what is considered to be "normal" usage (see below) will be charged at tariffs voted by the intermunicipal council:

- 4 m<sup>3</sup> wood
- 4 m<sup>3</sup> green waste
- 4 m<sup>3</sup> inert waste
- 4 m<sup>3</sup> large objects
- 4 m<sup>3</sup> de plasterboard

**Professionals** will be charged each time they bring the following waste.

The deposit of certain waste such as electrical and electronic goods (DEEE) may require your signature.

Description of waste	Individuals	Professionals
Wood	20 € per m <sup>3</sup> above 4 m <sup>3</sup> per year	20 € per m <sup>3</sup>
Medical waste (DASRI)	No charge	DASRI not accepted
Green waste	20 € per m <sup>3</sup> above 4 m <sup>3</sup> per year	20 € per m <sup>3</sup>
Inert waste (rubble)	15 € per m <sup>3</sup> above 4 m <sup>3</sup> per year	15 € per m <sup>3</sup>
Electrical/electronic waste (DEEE)	No charge	60 € per year
Hazardous waste (DMS)	2 € per kg	2 € per kg
Large objects	30 € per m <sup>3</sup> above 4 m <sup>3</sup> per year	30 € per m <sup>3</sup>
Plasterboard	30 € per m <sup>3</sup> above 4 m <sup>3</sup> per year	30 € per m <sup>3</sup>
Tyres without a rim	No charge	Tyres not accepted

Tariffs are subject to annual review by the intermunicipal council and are advertised at rubbish tips.

### ARTICLE 7 - RESPONSIBILITIES OF STAFF

- Open and close rubbish tips, which are secured out of hours to prevent accidents and rummaging in skips, etc.
- Maintain tips and surrounding areas.
- Check access to facilities, via the users' tip card.
- Welcome and advise users.
- Assess volumes of waste and record the waste brought by users.
- Check the waste and advise users which containers they should use.
- Turn away waste which is not permitted (see Article 9) and direct users to the appropriate facility.
- Ensure removal of waste and empty skips.
- Provide a booklet for comments and complaints.
- Ensure that the Terms & Conditions are respected.
- Ensure that users can move around the facility safely.
- Exceptionally, staff may help to unload vehicles. If they adjudge that the type of waste or its weight might be detrimental to their health, they are obliged to refrain from doing so.  
If it has taken two people to load your vehicle, ensure that there are two of you to unload at the tip.
- Staff are not permitted to accept any form of payment.

**ARTICLE 8 - RULES OF CONDUCT**

**Users are required to:**

- sort out their waste before arriving at the tip. Upon arrival, this should be disposed of in the appropriate skips or containers;
- present their tip card upon demand and observe the Terms & Conditions and advice given by staff;
- ensure that their waste is recorded by staff and confirm the amount deposited;
- give hazardous waste (DMS) to staff who alone are authorised to deposit it inside special facilities;
- not leave waste anywhere but in the appropriate skips and depart once finished;
- be responsible for their vehicles at the tip vis-a-vis other users and equipment;
- follow the flow of traffic and signposting;
- respect staff, other users and the cleanliness of facilities;
- heed the advice of staff.

**It is strictly forbidden to:**

- **get into, search through and remove waste. Users doing so bear full responsibility in the event of an accident;**
- **leave any recipients containing the waste at the tip arrivals area;**
- **smoke at the tip;**
- **lend a tip card to someone else;**
- **leave waste before registering your tip card and before staff have indicated you can do so;**
- **enter the tip without needing to deposit waste;**
- **climb onto the perimeter walls of the facility;**
- **operate the facility’s machinery (compressor);**
- **come with animals in rubbish tip and let the animals wander in the site.**

**PLEASE NOTE**

- Users are strongly advised not to bring children to the facilities. Parents or guardians are fully responsible for their children if they choose to do so.
- Vehicles must limit their speed to 10 km/h.
- Manoeuvring must be done with care; users are fully responsible for their actions.

**The CCHC cannot be held responsible in the event of an accident if these terms and conditions are not observed.**

**ARTICLE 9 - PERMITTED/NOT PERMITTED WASTE**

PERMITTED WASTE	NOT PERMITTED WASTE
Empty cardboard boxes, flattened	Cars for scrap
Wood	Dead animals
Iron and non-ferrous materials	Explosive waste: gas bottles, fire extinguishers...
Large objects	Heating fuel tanks, car fuel tanks, hydrocarbon containers
Green waste	Industrial waste
Inert waste (less 2 m <sup>3</sup> )	Asbestos and objects containing asbestos
Glass	Medicine and other medical waste, excluding personal medical treatments (DASRI)
Plasterboard	
Packaging that can be recycled	Radioactive waste
Medical waste (DASRI) of private individual only	Roots, trees and earth
Lightbulbs and recyclable neon lights	This list is not exhaustive or limited to the items listed here. Tip staff will and must decline any waste which presents a specific threat to their health, that of users and the environment, because of its size or nature.
Types without a rime from light vehicles of private individual only	
Special household waste (DMS) : paint, varnish, solvent, oil filter, batterie, pesticide...	
Clothes and shoes (clean and in good condition)	
Oil change from privately-owned cars	
Cooking oil	
Electrical and electronic goods (DEEE)	

## ARTICLE 10 - WASTE SORTING

Professional and private users are asked to sort their rubbish as much as possible before arriving at the tip. If in doubt, please ask a staff member at the tip or read the notices.

**The principle of sorting is as follows:**

- empty cardboard boxes of their contents and lay them flat (this makes it easier to fill the skips and reduces transport costs);
- gather metal objects together;
- put household packaging together (papers, newspapers, magazines, plastic bottles and containers, tin cans, cartons (large and small));
- gather inert materials together (stone, flower pots, bricks, tiles, concrete, sand, crockery...);
- gather special waste items (lightbulbs, batteries, aerosols, paint pots and unfinished tins of varnish...);
- remove wheel rims (professionals only).

## ARTICLE 11 - PROVENANCE CHECKS

Staff at the tips are required to check by all means necessary the provenance of all items brought to the tip. **They may refuse access to anyone who is unable to provide details concerning the provenance and nature of the waste they wish to leave at the tip.**

## ARTICLE 12 - BREACHES OF REGULATIONS

Access to the tip will be denied to anyone bringing waste which is not accepted as stated in Article 9, as well as to rag-and-bone sellers, and in general to anyone whose actions prevent the smooth-running of the waste facility. If necessary, an official complaint to the police may be made concerning anyone who causes a disturbance. Unauthorised waste disposal may be subject to a €100 charge.

The CCHC reserves the right to withdraw access to all waste facilities indefinitely if a user is found to have lent their tip card to someone else (in which case, waste disposal will be denied), failing to follow the advice of staff and usual terms and conditions, abusive and/or violence towards CCHC staff or other users. During this time, the user's card will be forfeited.

## ARTICLE 13 - LIABILITY

Users are entirely responsible for any damage caused to the tip or those inside the facility.

Users are required to look after their belongings; the CCHC cannot be held responsible for any loss or theft resulting from any oversight.

## ARTICLE 14 - INFORMATION

The CCHC - Haut Chablais Intermunicipal Council - informs users that the terms & conditions are displayed in all tips where they can consult them; it is also available at head office.

**Tip cards distribution:** upon request (by professionals and members of the public), the CCHC will provide one card per household or business once proof of residency has been provided.

Supplementary cards are available at 10€ each.

Lost or damaged cards can be replaced at a cost of 10€. Please advise the CCHC as quickly as possible if your card is lost, to prevent any fraudulent use, for which you may be liable.

Cards that are illegible will be replaced free of charge once they are handed in.

In the event that you move or your business closes, tip cards must be handed back to the CCHC and accounts closed.

## ARTICLE 15 - CHANGES TO TERMS AND CONDITIONS

The CCHC reserves the right to change the current terms & conditions without prior consent and apply them once voted in by the Community Council.
